Community Engagement Music Project (CEMP) is a project that aims to highlight and explore the ways in which the elements of communication can be maximized in musical concerts through working with community organizations and presenting various types of interactive concerts at those organizations. Participating students will be at the forefront of **communicating with community organization staff members** and **creating interactive concert programs**.

For more information, visit www.gvsu.edu/mtd/cemp.

You may apply as an individual or as a group.
