Subject: Request for Proposal # 215-29
Residence Hall Mattresses

GVSU is accepting proposals for mattresses for our residence hall housing for delivery April 28 - May 1, 2015. Please reference the attached specifications.

If you desire to supply the mattresses, submit your proposal no later than **5:00 p.m. on Wednesday March 18, 2015 to Attention: Kip Smalligan, Grand Valley State University, Procurement Services, 2015 Zumberge Hall, 1 Campus Dr., Allendale, MI 49401-9403. Indicate the RFP number on your envelope. Due to compressed timeline, proposals sent by e-mail to smalligk@gvsu.edu will be accepted.** You may also mail or drop off your proposal. Your proposal must be received by the above RFP opening date and time. No fax, verbal, or telephone quotations will be accepted. Grand Valley State University is not responsible for late, lost, misdirected, damaged, incomplete, illegible or postage-due mail.

Before sending, check to be sure that:

1. The proposal is signed
2. Any addenda received are acknowledged

Questions regarding proposal specifications should be directed to Kip Smalligan at the above contact information. Thank you.

Grand Valley State University Mattress RFP #215-29 Instructions

1. Send your proposal **no later than 5:00 p.m. Wednesday, March 18, 2015. Due to compressed timeline, proposals sent by e-mail will be accepted.** Include the RFP #215-29 in the subject line of your e-mail. You may also mail or drop off your proposal to Attn: Kip Smalligan, Grand Valley State University, Procurement Services, 2015 Zumberge Hall, 1 Campus Dr., Allendale, MI 49401-9403. Put the above RFP number on the outside of your mailing envelope. Your proposal must be received by the above RFP opening date and time. No fax, verbal, or telephone quotations will be accepted. Grand Valley State University is not responsible for late, lost, misdirected, damaged, incomplete, illegible or postage-due mail.
2. Should it become necessary to revise any part of the RFP, notice of the revision will be given in the form of an addendum to all prospective suppliers on record as having received the RFP. Addendums will also be posted on the [Bid Opportunities](#) page of the GVSU Procurement Services website www.gvsu.edu/purchasing. Each supplier should acknowledge receipt of addenda in their proposal, but the failure of a supplier to receive or acknowledge receipt of any addendum, shall not relieve the supplier of the responsibility for complying with the terms thereof.
3. GVSU reserves the right to reject any or all proposals. GVSU reserves the right to accept alternate specifications that meet and/or exceed attached specifications. Include with your quotation any supporting documentation (pictures and written specifications) that might help us in decision-making for all alternate items.
4. This proposal award is for delivery to Allendale, Michigan April 28 – May 1, 2015.
5. In order to comply with the State of Michigan higher education appropriation bill, GVSU supports the following State of Michigan procurement requirements.

"Funds appropriated from the State shall not be used for the purchase of foreign goods or services, if competitively priced and of comparable quality American goods and services are available. Preference should be given to goods and services manufactured or provided by Michigan businesses, if they are competitively priced and of comparable quality."

[If you are not a Michigan business, please state if GVSU's mattresses would be manufactured Michigan.](#)
6. GVSU reserves right to see and test a mattress sample prior to finalization of contract.
7. Grand Valley State University is Michigan state sales tax exempt. Our exemption statement is available online at www.gvsu.edu/purchasing (look under the Popular Pages section).
8. Contact Kip Smalligan by phone 616/331-3211, fax 616/331-3287, or e-mail smalligk@gvsu.edu with any questions concerning this RFP.

Grand Valley State University RFP #215-29 Specifications

1. General:

All mattresses shall be manufactured in accordance with the best practices known to the manufacturing industry and shall be clean and free from defects in material and workmanship and shall meet the sanitary conditions as required by the State of Michigan. All materials used in manufacturing must be new. [Please propose the construction that you see as most appropriate in accommodating and balancing the below criteria with costs. Describe your mattress construction/springs/padding and its function/benefit. You may propose more than one mattress type.](#)

Key Criteria Summary:

Dual firmness (medium and firm)

Avoidance of exposure to toxic chemicals in materials

Inverted seams (bed bugs)

Life expectancy: 7 years

Year of manufacturing heat stamped on mattress in easy-to-read color (white). Heat stamping is preferred, but a non-removable tag would also be acceptable.

2. Quantity and Delivery:

427 each 36" x 80" mattresses delivered to [Allendale campus by April 28 - May 1](#). Mattresses shall be F.O.B. Grand Valley State University Allendale campus.

Awarded supplier must call Nathan Veeneman at 616/485-8247 at least 48 hours prior to delivery to coordinate delivery. Inside installation is **not** needed. GVSU will have the delivery truck meet one of GVSU's trucks in a parking lot with GVSU workers who off-load the mattresses. [A delivery truck with a drop frame is very helpful.](#)

3. Costs

The target range we are seeking for costs is \$95.00 – \$110.00 per mattress.

4. Mattress Size

The size of the innerspring unit shall be manufactured to properly fit a bed size of 36" x 80". The finished size of this mattress is to be 36" x 80" with overall thickness 6" to 6.5".

5. Ticking:

The mattress cover shall be a fire retardant fabric. Use Ventex SOflux OX or equivalent. The nylon side of the ticking must face outwards. Do not use vinyl or cloth or PVC coating. State the ticking quoted in your proposal.

The top and bottom sections shall be made up of one full width fabric with no seams. The ticking used for the borders shall contain not more than two seams all around with all ends hemmed, spliced, and securely sewn together by machine in such a manner as to leave no break in the uniformity and finish. [All exterior seams should be inverted seams.](#)

6. Spring Unit:

Indicate the type of coils used, number of coils, row configuration, and spring wire gauge.

7. Flammability:

The mattress shall meet 16 CFR Part 1633 flammability test. Documentation/written certification of conformance is required with proposal.

If your mattress also meets California Technical Bulletin #129, Boston Fire Department IX-11, or other tests, provide certification.

It is preferred that fire barriers containing chemical additives or flame retardant additives be avoided if alternate means and material are available.

8. Sample

If your proposed mattress is different from a previously accepted mattress, a sample must be provided upon request.

9. Packing:

Each mattress shall be packaged in a manner to assure that it is delivered in a clean and undamaged condition. [Is your packaging recyclable?](#)

10. Warranty:

[Provide warranty information.](#)

12. Cost

This proposal award is for May 2015 mattresses. [State how long your pricing is valid beyond May 2015.](#)

13. Sustainability

[Describe any mattress re-use or recycling program you have.](#)
